Senator Steve Cassano
Legislative Office Building
Room 2100
Hartford, CT 06106

Dear Senator Cassano:

We are writing in support of Proposed Senate Bill 56 to raise the minimum wage by 75 cents in each of the next two calendar years.

We believe that people working at the minimum wage level are struggling to make ends meet in a state with an extraordinarily high cost of living. These people are working hard to support their families and in living in Connecticut, they are contributing to our state's economy.

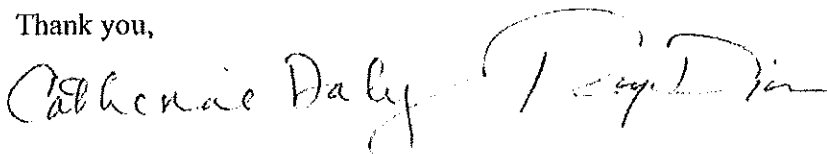

We have numerous friends and family members who are making minimum wage and we believe that the proposed increases are modest in terms of the economic burden on employers and will go a long way in helping these folks to support their families.

Senator Cassano, please stand up for the workers and families in your district and support raising the minimum wage.

We can be reached at the phone number below or at cdaly506@sbcglobal.net.

We appreciate your consideration support on this important issue.

Thank you,
